

**Approved PTA Response to Queries on RFP for Licensing Framework**

<b>S.No.</b>	<b>Queries</b>	<b>Answers</b>
1.	Is it correct to assume two sets of stakeholder meetings and one public consultations during the RFP? i.e. a) 3.2.2(a) Information gathering, (b) 3.2.2(c) Q&A session, and (c) 3.2.2(e) the formal public consultation?	Number of meetings & consultation shall be as deemed appropriate by the consultant for compliance of 3.2.2.
2.	Will the PTA arrange the venue for the proposed stakeholder meetings, (i.e. 3.2.2.(a) and 3.2.2(c)) or is the Consultant responsible for this?	Yes, PTA can arrange stakeholders` meetings at its Auditorium.
3.	Given the number and variety of stakeholders and licensees in Pakistan, can PTA provide an estimate of the total number of stakeholder meetings planned or required during this phase, i.e. (3.2.2 (a) and 3.2.2 (c) of the project?	As already explained at Q No 1 above.
4.	Does the PTA require formal written answers during the initial questionnaire process or will the more typical process of verbal Q & A approach during the stakeholder meetings be acceptable? If written answers are required from the stakeholders, will PTA provide, for example, a dedicated email address for all stakeholder responses to the questionnaires	Yes, PTA requires written Q&A and also will provide dedicated email address.
5.	Will the PTA provide for suitable recording and collection, e.g. a dedicated email address, for all stakeholder responses to the public consultations?	Yes, PTA will provide dedicated email address as already mentioned at Q No 4.
6.	What is the proposed location, content and objective of the workshop described in item (g) in Appendix B of Annexure IV? Is the Consultant responsible for arranging the venue for this workshop, or will this be arranged by the PTA?	This workshop is basically the final consultation as explained at 3.2.2 (e ) and 3.3.1 (d). In addition, as already mentioned at Q No 2 above, PTA Auditorium can be arranged.
7.	What is the difference between the Licensing Framework described in clause 5(e) of Appendix A and the Information Memorandum defined in clause 5(f) of that Appendix?	5(e) of Appendix-A is a deliverable for submission of revised Licensing Frameworks while 5(f) is deliverable for submission of IMs & license templates for those frameworks.
