F. No. 15-70/06(CA)/PTA

6 March 2007

Subject: Consultation Paper on Broadband Proliferation in Pakistan

This is with reference to even number letter of the Authority dated September 1, 2006 regarding the subject.

2. In order to initiate a formal process of deliberation regarding the subject, a consultation paper on review of broadband issues in Pakistan, has been prepared and placed on the website of PTA (www.pta.gov.pk).

3. Being a key stakeholder, you are requested to kindly provide your comments/views particularly on the issues highlighted in the aforementioned consultation paper. Please also provide any additional suggestions related to technical, commercial and regulatory aspects of broadband (wireline and wireless) that in your opinion need to be covered in the consultation process. You are requested to submit your comments at the earliest preferably by 31 March 2007.
