No.4.999/2579/2016/PTA

8 August, 2016

Subject: **ISM Band Regulation -Revision**

Pursuant to Class Licensing & Regulations (Amendment) Regulation, 2016 i.e. S.R.O 287(I)/2016 dated 12th February, 2016, amended ISM band regulations shall be applicable for devices operating in ISM as part of Type Approval.

2. No revision in existing certificates for Type Approval equipment operators in ISM band is required and Revised ISM Regulation under SRO 287(I)/2016 are automatically applicable for the previously issued Type Approval certificates.
3. Forwarded for information and compliance by all concerned in true letter and spirit, please.

Nauman Khalid
Director (Type Approval)

To:

All Type Approval holders and stakeholders
